FACTS ON FILE

REG. U.S. PAT. OFF.

1953 Index

COMPLETE FOR PERIOD FROM JANUARY 1 THROUGH DECEMBER 31, 1953

REFERENCES TO NEWS TEXT

Index entries under name & subject headings give (1) description of corresponding item in News [white paper] Section, (2) date [numbers of month & day] of event, (3) page in News Section on which item appears and (4) marginal letter nearest item on News page and [after p. 220 of text] column in which item appears.

WHITE PAGES 1-220 each contain 2 wide columns of text with "locator" letters in each margin. Example of Index reference to an item within those pages:

RISSER, Helen
Korean Reds free 5-4, 141J

Reference is to item on p. 141 beginning next to marginal letter J.

WHITE PAGES 221-444 contain text arranged in 3-column style with locator letters in outside margin only. Page-locator guides in Index refer to (1) page numbers, (2) marginal letters paralleling items and (3) columns in which items will be found. Example:

JOHNSON, Dr. Robert L.
Resigns 7-6, 224A1

Reference is to item on p. 224 opposite marginal letter A in column one (left column). Column reference "2" would be to center column, "3" to right column.
